

The Straits Cup

With the participation of Arsenal Soccer Schools, Spain

The Straits Cup is an International tournament held in Castellar de la Frontera, in southern Spain. Ulverston Rangers under 12s from Cumbria have the opportunity to compete in this tournament which starts 31st May 2011.

Other teams in the tournament include Arsenal soccer schools Spain, Lions FC from Gibraltar and the host team Castellar.

This opportunity has come about through the efforts and the contacts the under 12's manager has made with Arsenal Soccer Schools, Spain whilst progressing his Football Coaching qualifications for the benefit of his team, in his own time and at his own expense.

As the children in the team all come from a range of backgrounds we decided the only fair way to make this happen was to make it free of charge to all the children, as we did not want any of them to miss the opportunity. This was provided their parents, carers and family were willing to give up some time and help with the fundraising to which they have all agreed.

Our intention is to take 15 players to the tournament and 14 adults. The adults (made up of the manager, assistant coaches and parents willing to help) are giving up 5 days of their time and covering all of their own costs in order to make this happen.

Ulverston Rangers Junior Football club have organised a fundraising event at Ulverston Sports & Social Club, Priory Lane, Ulverston, 2nd April 2011, to raise funds. The fundraising night involves Firewalking, Auction of Promises, Raffle, Barbecue, Refreshments and Games..

As you can see we have already put a lot of effort into this venture but we have a high financial target to achieve. We would be grateful if you would consider helping us in achieving our goal. This could be done by helping us find people willing to be sponsored for a firewalk, helping us find people willing to pledge services to be auctioned, Raffle prizes or any donations.

Anything you could do to help would be gratefully appreciated.

Thank you for your consideration.
